ACI’s Annual Oleofuels summit will be taking place in Liverpool, UK, on 21-22 June 2016. The two day conference will bring together the leading executives and experts from across the entire value chain for two days of informative presentations, interactive discussion & excellent networking opportunities.

Oleofuels 2016 is the progression of ACI’s highly successful European Biodiesel series of events which ran from 2008-2013. The change of name reflects the fact that the event will now cover all fuels made from oils & fats including biodiesel, HVO & bio jet as well as take a more global view which is key especially when it comes to certain feedstocks.

Agenda Committee:

- Javier Vila, Country Manager, Spain Petrotec
- Ralf Schmidt, Managing Director, Bioeton Deutschland
- Nuno Correia, Plant Director, Prio Energy
- Riccardo Pedriali & Augusto Parodi, A&A Fratelli Parodi Spa
- Spyros Kiartzis, Director Alternative Energy Sources & New Technologies, Hellenic Petroleum
- David Acea, Lorenzo Marketing Director, Infinita Renovables
- Ian Waller, Managing Director, FiveBarGate Consultants Ltd

Why You Cannot Miss This Event

The two day conference will comprise a series of informative formal presentations from senior industry executives and experts, panel discussions encouraging information exchange between you and your peers and excellent networking opportunities allowing you to maximise the productivity of your two days at the event.

Who Will You Meet at This Event?

Meet senior executives from first and advanced generation oleofuel producers, feedstock producers and suppliers as well as traders and cutting-edge technology developers

Host City of Liverpool

This year’s event is going to Liverpool, UK, offering our audience the opportunity to engage with not only international participants, but also local attendees from a mature market which offers enormous opportunity for networking and business development.

ReFuel Energy Plant – Monday 20th June 2016

During the afternoon of Monday 20th June 2016 a limited number of conference attendees will have the opportunity to attend an exclusive site visit

There is no extra charge to attend the site visit. Please register your attendance for the site visit when booking for the conference.

UK Renewabel Fuels Ltd

ReFuel is the UK’s leading producer of liquid biofuel for CHP heating and power generation. All biofuel is produced from waste oil feedstock which fully meets the OPFEM criteria for ROCS accreditation. This feedstock is single-sourced, which produces a fuel of high quality and consistency. All fuel is independently tested before despatch to meet key performance parameters in line with EN14214. Customers include generators from the commercial, retail and public sectors. The biofuel saves around 3000 tonnes of CO2 per 1.25 million litres compared to fossil diesel, together with lower emissions and zero sulphur dioxide.

Schedule of Site Visit:

12:30 – Registration for site visit at conference hotel in Liverpool
13:00 – Depart conference hotel
13:30 – Welcome address & company presentation by ReFuel Energy, at their facilities in Knowsley
13:45 - Guided tour of the production plant
14:15 – Closing remarks & refreshments
14:45 – Depart ReFuel Energy Plant
15:15 – Arrive conference hotel in Liverpool
