

## European Biomethane Conference 2016

Date: 20 June 2016  
 Venue: dbb forum berlin, Friedrichstr. 169, 10117 Berlin  
 Time: 10.30 am – 8.00 pm

9.30 am	<b>Registration &amp; welcome coffee.</b>	
<b>Session I: Biomethane in Europe – From idea to market.</b>		
10.30 am	Welcome and opening remarks.	<b>Kristina Haverkamp,</b> Managing Director, Deutsche Energie-Agentur GmbH (dena) – German Energy Agency
10.45 am	Key Note: Biomethane’s role in German’s energy transition.	<b>Dr. Dorothee Mühl</b> Head of Subdivision III B Electricity Federal Ministry for Economic Affairs and Energy (BMWi)
11.00 am	<b>Break.</b>	
<b>Panel I: Forerunner countries in Europe. Chaired by Dr. Attila Kovacs, European Biogas Association (EBA)</b>		<b>Panel II: Biomethane Innovations. Chaired by Dr. Jan Liebetrau, German Biomass Research Centre (Deutsches Biomasse Forschungszentrum (DBFZ))</b>
11.15 am	Update on biomethane in Germany: How deals industry with changing framework conditions.  N.N. Agraferm Technologies AG	Modular biogas upgrading plants.  <b>Volker Wehber*,</b> Director SEPURAN Green Fibres, Membranes & Specialties, Evonik Resource Efficiency GmbH
11.40 am	The UK biomethane boom – will it be sustained  <b>David Collins,</b> Biogas Advisor, Renewable Energy Association REA	Biomethane and Power-to-Gas: Teaming up for the energy transition.  <b>Dr. Ramona Schöer,</b> Research Fellow, Fraunhofer IWES
12.05 am	Sweden's Fossil independent transport sector 2030 - what is the role for biomethane?  <b>Mattias Goldmann,</b>	BioLNG as a key to a green European heavy duty sector?  <b>Sebastian Kunert,</b>

	Managing Director, Forum for Reforms, Entrepreneurship and Sustainability (Fores)	Process Lead for Biogas Liquefaction Plant Norway Wärtsilä Corporation
12.30 am	Status quo in the Netherlands: insights and outlook in Dutch biomethane market.  <b>Roland Kok,</b> Developing Markets Manager, Essent NV	Sustainable farm concepts with biomethane.  <b>Michele Ziosi,</b> Head of Institutional Relations Europe, Middle East, Africa, CNH Industrial N.V.
1.00 pm	<b>Networking lunch break.</b>	
<b>Panel III: Emerging biomethane markets. Chaired by Axel Blume, dena</b>		<b>Panel IV: Trade, Verification and Documentation. Chaired by Matthias Edel, dena</b>
2.00 pm	What's next France? French biomethane market development.  <b>Zacaria Reddad</b> Senior Engineer Renewables & Environment, Engie S.A.	Cross border trade in Europe: Past and Future.  <b>Volker Seebach</b> CEO, bmp greengas gmbh
2.25 pm	Finish market is moving forward. New developments in Finlands biomethane market.  <b>Mika Laine*,</b> CEO, Envor Group Oy	One standard for all? Verification of biomethane for different sectors and countries.  <b>Dr. Peter Hawighorst,</b> Project Manager, ISCC System GmbH
2.50 pm	Establishing a new market: Ukraine develops a biomethane sector.  <b>Yuri Schafarenko</b> Head of substitution of fossil fuels State Agency on Energy Efficiency and Energy Saving of Ukraine (SAEE)	Experiences with biomethane cross boarder trade in Europe.  <b>Zoltan Elek,</b> CEO, Landwärme GmbH
3.15 pm	How to reach national GHG-targets? Biomethane as a biofuel in Italy.  <b>Piero Mattiolo</b> Technical & Scientific Committee Fiper - Italian Producer of Renewable Energy	Biomethane labels – A high potential market driver?!  <b>Dr. Arthur Wellinger,</b> Board Member, Verein für umweltgerechte Energie (VUE)

	Federation	
3.45 pm	<b>Refreshment break.</b>	
<b>Session III: Europe´s way towards a clean mobility – What is the perfect mix of alternative fuels? : Kristina Haverkamp, dena</b>		
4.15 pm	Opening statement: Cooperation of biomethane registries as pillar for cross boarder trade of biomethane and PtG.	<b>Oliver Frank,</b> Head of Division Renewable Energy and Energy-Efficient Mobility Deutsche Energie-Agentur GmbH (dena) – German Energy Agency
4.30 pm	Opening statement: European legislation as a driver for European biomethane markets.	<b>Venn Chesterton,</b> Divisional Manager – Energy & Environment Transport & Travel Research Ltd
4.45 pm	<b>Panel discussion.</b>	<b>Dr. Thomas Weber,</b> Federal Ministry for the Environment, Nature Conservation, Building and Nuclear Safety (BMUB)  <b>N.N. *,</b> French Environment & Energy Management Agency (ADEME)  <b>Claus Sauter*,</b> CEO VERBIO Vereinigte BioEnergie AG  <b>Peter Harris,</b> Director of Sustainability, EMEA, United Parcel Service of America, Inc. (UPS)  <b>Dr. Wolfgang Demmelbauer-Ebner,</b> Head of Gasoline Engine Development Volkswagen AG
6.00 pm	<b>Get together.</b>	
8.00 pm	<b>End of the conference.</b>
