These links will also be posted on Public wiki & available from April

For Economic Operators

- Please support your schemes where needed to ensure that the organization & certificates are registered correctly for your organization
- Please wait for communication from schemes to begin initial stock registrations
 - Initial stock registration can be started by Economic Operators only when significant number of Economic Operators are onboarded correctly
- Schemes should be able to share the link to public wiki page (April) which will be progressively updated

Thank you
