How to handle questions

related to **content**
of the presentations as well
as **technical issues**

- **Scan the QR code** available in the Zoom chat and log in with your full name and email address.
- Start sending in your questions. You will be able to see the questions and upvote the ones you find most relevant.
- Questions will be displayed on the presentation screen for **the audience** during the demonstration.
- The participants who have posted the selected questions **will be unmuted**, allowing for direct engagement.
