looking to the future the walmart gift card generator 2023 is already in development and promises even more ways to save money while shopping at walmart keep an eye out for updates and new features as they become available for example i recently bought 2 pints of ben and jerry s ice cream and that gave me an extra 1 000 points for each or 1 towards a walmart gift card it also identified some pepsi products and doritos chips often you can earn several dollars worth of rewards from one shopping trip even without trying one of the best apps for getting free gift cards in my opinion is the swagbucks app you can get points for doing any number of things and they have a low point balance for redeeming your points for gift cards for their combination of low point totals and ease of earning they re one of the tops in my book runner up might be prizerebel as they re very similar in ease of earning and redeeming if you frequent casino resorts it might be worth considering a casino membership program smaller brands will offer free buffet dinner passes play vouchers and free nights larger brands will have a chain of casinos and resorts to earn rewards from
