hitman 2 and 3 are particularly great with tons of memorable setpieces like the country manor murder mystery where you impersonate a detective solving a previous crime while simultaneously killing the suspects you can also play chef alongside remy from ratatouille and watch the tumultuous relationship between donald duck and scrooge mcduck unfold these are just a few of the small additions that make gameplay feel more alive endlessly surprising as you connive your way to the top fall back down again then claw up the rungs once more as your disposed king s rightful heir crusader kings 3 shows that even though the weight of a crown wears heavy it s a lot of fun to try and keep it from toppling the scale of the service is pretty daunting at this point and players can easily end up in that netflix like fugue state of browsing but never choosing we don t want that for you so below you ll find our picks for the game you ll want to download first across a broad range of genres
