if you click on a dice link and it doesn t even open in monopoly go then that s a different issue from our experience there can sometimes be teething troubles when you try to open a dice link on an android device when you click on a link in your browser you should get a pop up menu asking you to open in another app

if this doesn t happen and the link instead opens in a separate tab on your browser try refreshing that page and see if the pop up menu appears alternatively try clicking on the link again and see if that triggers the menu if none of these troubleshooting tips work try opening up the monopoly go app so it s running in the background then head back here and try clicking on the link again to see if that kicks things into gear

while dice links offer exciting opportunities players should exercise caution and click only on links from reputable sources to maintain a secure gaming experience reputable websites like this one provide reliable daily links for free dice rolls ensuring a smooth gaming experience

to redeem one of the links above simply click on it on the device you have monopoly go installed on when you click on the link in your browser you ll be taken to a new webpage and asked if you want to open it in monopoly go

completing game objectives monopoly go unlimited dice hack sets various objectives such as winning games or collecting properties successful completion of these tasks earns players free dice rolls as a rewarding bonus
