use certain apps and websites to earn points while talking about such websites pointsprizes is one of them it helps you to earn paypal cash in your paypal account all you need to do is to complete some tasks in order to earn points such as complete a survey

once you sign up you get awarded 25 points with a minimum withdrawal of 1000 points which is easily achievable cause each survey is valued between 20 200 points per survey you would be hitting the 1000 points mark in no time

you can t actually use a credit or debit card to transfer funds to your paypal balance on the other hand you shouldn t really have to when you make a paypal payment you can use your credit or debit card instead of your paypal balance

the sign up process is free and takes only a few minutes to complete you ll have to provide necessary details about yourself including your name and city of residence so that the site can suggest appropriate studies for you

since we are all interested in apps that pay instantly to paypal why not use paypal itself to earn paypal money paypal has a refer a friend program just for that when you refer a friend who then accepts your invite and spends 5 you can both earn 10 there is an annual limit of 50 per calendar year but the limit resets when january 1st rolls around

the easiest way to add money to your paypal balance account is to use a direct bank transfer first you ll need to create a paypal cash or paypal cash plus account this is free but it requires paypal to verify some of your personal information to comply with know your customer regulations

all you need to do is sign up and start earning from the list of surveys games promotional emails videos and more available you get credited on your dashboard from where you can withdraw to your paypal account
