fight mode with friends this is a very new model and has only been updated to the latest version in this mode you can make friends and confront them directly with your friends this is no different from real life soccer challenges fifa mobile 22 free coins generator that work no human verification in fifa mobile 22 free coins hack a common skill is that you need to knock down the box or in some cases the odd colored box in the neutral box to earn points and complete the training similarly you may be asked to hit the target literally bull s eye in order to score these are designed to test your ability in trying with precise targets rather than aiming your shots deliberately zero and they can be a bit of a challenging start however once you have mastered the art of drawing as straight a line as possible you should eventually master the fifa mobile 22 free coins glitch sometimes drawing a straight line from your player to your target may not cut it off if this happens you can take turns aiming high if you want to knock down a box in the middle in this case the physics of the game may indicate that the ball is closer to the middle than the top box as for the lower boxes there is no complication just draw a straight line also keep in mind that once you reach a harder skill game you will have to deal with moving doors in those exercises that require you to score talking about the hot level of the game you can find out about the number of statistics on online game
