online shopping has become an easy task due to paypal if you are using it you will find it secure and convenient for your transactions currently it is offering three types of accounts including personal premier and business

to get your money in minutes log into your account and click the link that says transfer money select the account or card you want to transfer to and choose the option for an instant transfer this will work for any bank account and eligible debit cards at this time instant transfers are not available for credit cards

other terms we can associate with the payments we made using paypal are personal payments and online purchasing when you make personal payment the sending and receiving are free of cost you need to use your free paypal account to perform this task if the money is sent using a credit card the transaction charge of 2.9 will be applied while doing online purchasing the purchasing is free of cost with paypal account furthermore the receiver will have to pay the transaction fee ranges from 1.9 to 2.9

each app has a slightly different rewards program but each of the apps rewards users for completing simple tasks the money you can earn depends on your efforts you can also share these apps with friends to earn more the more you play the more you can earn you can try these apps in your free time to make money online

to transfer money from a bank account log into paypal and navigate to your wallet now click transfer money and select the add money to your balance option enter the amount and select the up to 5 days with your bank option with the app the process is even easier you click on your balance and select add money

next you ll need to have a linked bank account this will take a few days to set up since paypal must verify that the account is yours they ll deposit a few pennies and ask you to confirm the amount when that s done you can transfer money back and forth freely

it is against paypal s terms of service to send money to yourself from a credit card this option is only available when sending money to a friend client customer or business [click here to read paypal s full user agreement for more information](#)
