you'll need to create a Sony Entertainment Network account to activate a PSN gift card once you have an account you can redeem the code on the card by entering it in the redeem codes section of the PlayStation Store. If you don't have a Sony Entertainment Network account you can create one on the PlayStation website.

A PSN code is a 12-digit voucher card that is redeemable on the PlayStation Store per single PSN account and is just another name for gift cards issued by Sony PlayStation. A PSN discount code is a 10-digit card which can only be applied to your shopping cart. In other words, a 12-digit code can be redeemed to your wallet and the 10-digit code can only be used on PlayStation Store checkout.

A PSN generator is exactly what the name implies; it generates PSN codes that are redeemable on the PlayStation Store. However, users should be cautious accessing suspicious websites offering free PSN codes that require you to fill in personal details. These sites will try to phish your personal accounts or ask you to do a survey which will redirect you to another site endlessly. Be wary of scammer sites that will waste your time and money.
