if you are a veteran nba 2k player you are probably already familiar with the code redemption process and how it works nonetheless whether you are a new player or an old one who needs to be reminded we ve got you covered below you ll find a few simple steps you ll need to follow in order to redeem these nba 2k23 locker codes

this app is definitely a must for those who want to build a decent myteam with no money spent i love how you can check off which codes you ve used as well more reliable than some of the popular 2k websites

be warned though as if this is the first time you ve entered these menus you ll be taken through an introduction sequence that includes creating a character this could cost you valuable time on a limited code so make sure you ve got that out of the way before you try to redeem anything
