participating in events special events hosted by monopoly go offer additional opportunities to earn free dice rolls active participation and reaching milestones during events unlock valuable rewards

have you just tried claiming a monopoly go dice link and it didn t work dice links can only be redeemed once per monopoly go account so if you click on a link and get a message that says this reward has already been claimed then that means you ve redeemed the link previously keep checking back though we are constantly updating this page with the latest links

dion has wanted to be a video games journalist ever since he first saw copies of gamesmaster and official playstation magazine in his local newsagent as a kid and realised there was a job that combined his two biggest passions gaming and writing

if you click on a dice link and it doesn t even open in monopoly go then that s a different issue from our experience there can sometimes be teething troubles when you try to open a dice link on an android device when you click on a link in your browser you should get a pop up menu asking you to open in another app

if this doesn t happen and the link instead opens in a separate tab on your browser try refreshing that page and see if the pop up menu appears alternatively try clicking on the link again and see if that triggers the menu if none of these troubleshooting tips work try opening up the monopoly go app so it s running in the background then head back here and try clicking on the link again to see if that kicks things into gear

to redeem one of the links above simply click on it on the device you have monopoly go installed on when you click on the link in your browser you ll be taken to a new webpage and asked if you want to open it in monopoly go
